

## Dynacom WM2E Dome Camera

- 1 /3" Color CMOS Sensor
- 2 Megapixel
- Mobile IP Camera
- H.264 compression
- Dual Stream
- Dual-glass
- 3.6mm lens
- 0.0 Lux
- Smart IR-CUT
- 24 leds, vision range 20m(Optional)
- Motion detection
- DC12V, PoE

| Model No.                        | WM2E                                         |
|----------------------------------|----------------------------------------------|
| CAMERA                           |                                              |
| Sensor                           | 1 /3" Color CMOS Sensor                      |
| Effective Pixels                 | 2 Megapixel                                  |
| Max. Resolution                  | 1920*1080                                    |
| Min. Illumination                | 0.0 Lux                                      |
| Lens                             | 3.6mm                                        |
| Night vision                     | Smart IR-CUT                                 |
| Day&Night                        | Support                                      |
| Dual-glass                       | Support                                      |
| IR LED                           | 24 leds, vision range 20m(Optional)          |
| Video Compression                | H.264 video compression, support dual-stream |
| Audio                            | Optional                                     |
| Motion detection                 | Support                                      |
| NVR and other backend equipments | Support                                      |
| Software                         | Powerful platform software                   |
| Housing                          | Metal Dome                                   |
| Dimension                        | D93xH65(mm)                                  |
| Power Source                     | DC12V, PoE                                   |
